<table class="contentpaneopen" border="0"> <tr> <td width="20%"></td> <td class="contentheading" width="80%">Your Life, Health And Relationships Can Change For The Better</td> </tr> </table> <table border="0"></table>   How, you ask? By simply addressing the roots of your life, health and relationship issues. That's what this Web site is about. It's about helping Christians live the abundant life you're entitled to. Because hurting people continue to hurt people, this site provides resources, services and products for Healed People to Heal People.
 Life If you address the symptoms of your life, health and relationship issues, they will continue. That's why we prefer to identify the roots, then dismantle them according to biblical principles. Then, the symptoms will eventually go away. Health Do you know one of the most preferred ways to distract a person? It is to inflict pain, illness or addictions in your physical body. This includes mental illnesses. That's why you'll find information and products about health, the human body and what the Bible has to say about disease and illness on this site. Inclusive is life-changing information about the biblical roots of disease and illness. Be In Health Global owns this information and is gracious enough to allow it to be shared on this site. Relationships My goodness, every day we have the opportunity to improve our relationships. The question is do we have the desire, the mental capacity and the willingness to give it another try. The other question is since what we've tried hasn't worked to improve our relationships, what should we do differently? Might we suggest learning how to identify the roots behind the issue -- that is what you can't see with the natural eye. How We at Healed People, Heal People facilitate the healing process by offering personal ministry, group ministry, consulting, educational teachings and training. Our training was at Restoring The Foundations International, Be In Health Global and Pure Herbs Ltd. Roots How do we identify the roots of life, health or relationship issues? First, we asses what happened generationally in your life and family; this contributes to your issue. Second, we present what you really believe about yourself, what you really believe about others and what you really believe about God that does not align with the truth of the Bible; this contributes to your issue. And please know that most people rarely know what beliefs they operate out of daily that is contributing to them being trapped in the same life, health and relationship issues. Next, you need to receive healing for who and what has caused pain in your life; this keeps your issue in place. Joy We've had the privilege of seeing the Holy Spirit positively change lives on every continent using simple, biblical healing and deliverance. Be encouraged to browse the site to

Scriptures: Matthew 6: 31 &#65533; 33; Psalm 37:4

Have you ever allowed petty differences to interfere with relationships? Marriages are breaking up and churches are breaking up and fellowship groups are breaking up and prayer partnership groups are breaking up Over petty things where people are not mature enough to say when it&#65533;s all said and done, &#65533;I need you.&#65533;

You will run into Christian people and non-Christian people who inadvertently disrespect you or inadvertently make you feel bad.

Let&#65533;s take a look at Hannah in I Samuel, chapters 1 and 2, who&#65533;s making her annual trip to Shiloh.

According to scripture, Hannah has been weeping, praying and pouring out her heart to the Lord.

Her mouth continues to move; Hannah&#65533;s voice is just above a whisper.

Since you&#65533;re probably familiar with this scripture, you remember that Eli thought that Hannah was drunk because he saw her lips moving and she wasn&#65533;t speaking to anybody else. Eli could not figure out why Hannah was murmuring to herself. In what Eli had experienced in his life, the only reason a person muttered to herself or himself, was they&#65533;d had some wine.

Eli made a presumption about Hannah.

Okay, the key word here is presumption.

Eli assumed what he thought, was so, based on what he saw -- that is, what he presumed about Hannah.

Eli drew conclusions about Hannah without having any facts.

Has anyone made presumptions about you and been wrong?

Has anyone disrespected you and been dead wrong?

Has anyone thought they knew what you were thinking, didn&#65533;t check with you to substantiate the facts, and they were wrong?

Have you ever had somebody look at you and based on what they think they see, then reach conclusions and operate on assumptions about you &#65533; they even begin to talk to other people about you based on presumptions.

You are aware there are some people who decide they know what is going on in your life based on what they think they perceive.

Now remember, Eli was a called man of God.

He was anointed and appointed by God &#65533; this is very important to remember.

Presumption has no place in the kingdom of God, and Eli, a man of God in a position of authority, presumed.

When you presume to know what people are thinking,
When you presume why they are doing something,
When you presume

what&#65533;s really in their hearts, you dishonor the integrity of these very people.

Eli said to Hannah, a precious woman of God, &#65533;How long have you been drunk? Get rid of your wine.&#65533;
Eli did not ask Hannah any questions to gather facts and to be respectful of her.

He did not ask, &#65533;Have you had some liquor Hannah [this one time]?&#65533;
He did not ask, &#65533;Do you drink regularly?&#65533;
He did not ask, &#65533;Are you in a drunken state Hannah; I&#65533;m concerned about you?&#65533;
Eli presumed Hannah had been a habitual drinker.
Now -- if we&#65533;re remotely honest, most of us would have been insulted and offended, especially since Hannah was tarrying before the Lord.

Can&#65533;t you just imagine how Hannah could have felt?

Do you wanna know why I had to type this article for you, beloved reader?
Do you wanna know why I so respect Hannah, dear reader who&#65533;s still being healed and delivered just like me?

Hannah was focused.
Hannah was so focused, she didn&#65533;t forget her purpose.
Hannah was so focused, she chose not to operate in offense.
Hannah was so focused, she chose to interact with Eli in a posture of l-e-g-i-t-i-m-a-t-e submission.
Key word = l-e-g-i-t-i-m-a-t-e.
Hannah was so focused, she remembered and let Eli know that she needed him to achieve her goal.

Beloved reader, you can&#65533;t afford to take the well-intentioned people in your life and begin to set them aside, and break fellowship and relationship with them, so that you end up isolated and unto yourself. The enemy knows when you are walking by yourself, you can get ambushed. You and I are prime prey for the enemy when we isolate and withdraw.

When we have Christian companions walking with us, the enemy has to think twice about attacking us. He knows the power of agreement. He knows the power of unity. He, satan and his demons, takes the good intentions of people that cause us to be so offended and cause us to feel so disrespected that we dis-fellowship with these Christian and non-Christian people. Oouchh!
Ecclesiastes 4

Beloved reader, some of the people who are getting on your nerves, not all of them are your enemies. Some of them are people God has brought into your life, but you have to learn how to navigate. For example, Peninnah, was a bona fide enemy of Hannah. Eli was not Hannah's enemy, although she could have easily chosen to exclude or distance him from her life. Hannah knew Eli was a divinely appointed person in her life.

Beloved reader, building good, solid relationships is not easy. You know this, I know. Don&#65533;t let taking flight, be your first tendency. It takes work, on your behalf, to be big enough, to be mature enough, to work through some of these l-e-g-i-t-i-m-a-t-e offenses. And yes, the person, the people, were wrong.

We need the imperfect Christian people, God has appointed in our lives.
We need the imperfect Christian people, who will presume sometimes and come to us in attack mode.
We need one another desperately.
You need the support of those God has raised up to be in your life &#65533; to achieve your destiny, to get through this mental valley your in.

Do you have enough grace in you, to initiate the process and go get the issue straight with the person?
If you don't, let's ask the Holy Spirit to impart more grace to us for a specific issue with a specific person.
Oouch!

As Christians, the last place we expect to be disrespected is in the church and by church members.

But may I share something with you beloved reader, the majority of Christians who come for personal, confidential, integrated healing and deliverance ministry, have been disrespected or even abused repeatedly by Christians in leadership positions either in the local church or in the marketplace i.e. your neighborhood, your professional groups, your workplace, your exercise partners, your family, etc.

If you&#65533;ve not read I Samuel 1 &#65533; 2, be encouraged to read it so you can know how Hannah respectfully and calmly explained to Eli her issue, her condition and her need of his help in her life. Hannah even goes a step farther,

and reconciles. Oouch!

J1H2Zv+ez/99Giiigk//9k=" alt="&, 11, A.B." title="&, 11, A.B." border="0" /> DSK.| Herb no. 1 for degenerative discs
    Between the vertebrae [neck and back bones] there rests a disc-shaped structure that could be described as a tough, fibrous, elastic, shock absorber pad made essentially of protein with a gelatinous fluid-filled center. This makes it possible to walk without discomfort and also be able to bend the back and neck easily. Since we normally walk on our hind two appendages [legs] and not the front two [arms], we support the entire upper body on a column of bone, in the lower back especially. If we do not maintain our protein intake properly and or put too much stress on the discs and or gain too much weight, they can deteriorate or rupture. This brings bone into contact with bone and great discomfort results.
   The DSK. combination of herbs is composed especially of Knitbone, a type of body glue and rapid repair herb, assisted by Valerian Root, a pain reliever, Papaya fruit, which contains a digestaid, papain, to digest out any damaged material that can not be repaired and Willow bark to relieve pain and inflammation. The Willow Bark and Valerian portions of DSK allow the sufferer to, at least, get some rest due to to their relaxing and pain relieving qualities.

DSK is a combination herb made of the following Pure Herbs: knitbone, valerian root, papaya fruit and willow bark.
<span

style="font-size: 10pt;">Dose | Internally, 40 to 80 drops, 3 to 4 times per day and externally, apply in quantity needed to cover the area. If trouble sleeping, then 80 drops to 1 tsp. internally, and apply liberally to the distressed area. For more involved conditions also do as follows.

Note | In cases where serious damage must be repaired, a more elaborate and quicker approach can be taken. Make an application to area to be repaired in the manner described here. Apply to the area: Vitamin E with Selenium from 100 i.u. capsules to make oxygen more efficient in the repair process; Oil of Cajeput as a decongestant and pain reliever; and Herbal Adjustment to increase circulation and release muscle spasms. &#65533; Then place a single layer of cheese cloth or absorbent gauze saturated with DSK. over the area. Cover this with plastic sandwich wrap, fix in place and leave on overnight. In the morning, remove the application and discard it. Wash the area and allow to dry. Prepare and apply a fresh daytime application like the one for the night. Repeat this regimen until repaired.   To order DSK, click here .
