## DESCRIPTION OF INTRODUCTORY HEALING AND DELIVERANCE SEMINAR TRAINING

### First Baptist Church - Murfreesboro

Seminar 1 | November 2 – 6, 2011 and Seminar 2 | November 9 – 13, 2011

[www.HealedPeople.com](http://www.HealedPeople.com)

**First Baptist Church - Murfreesboro is hosting a RESTORING THE FOUNDATIONS' Issue-Focused Training Seminar in November 2011.**

#### Who should attend?

If you have a healing & deliverance calling in the body of Christ, you should complete the application. Wherever the Holy Spirit calls us, we should be trained and prepared. In integrated healing & deliverance, we are constantly in contact with wounded people. Integrated means we co-labor with the Holy Spirit to identify the roots of any issue. We must do everything we can to be as prepared and learned as possible to not inflict any more hurt on wounded Christians.

#### How does this training differ from Restoring The Foundations Module I training offered in Hendersonville, NC, every January and September?

The Module I training in NC is a two-week extensive training packed with teaching from many veterans in integrated healing & deliverance. This training is every January and September. If you can go to this training, please do so because it is life changing. This Issue-Focused Seminar training is available for people who absolutely cannot make it to NC. This is considered field training and those attending will not be exposed to the same level of teaching. Those attending will leave with the basic understanding and tools of how to take a Christian through integrated healing & deliverance for one issue in their life.

#### What will happen after this Issue-Focused Training Seminar is completed?

Registration for this seminar is open to Christians within the middle Tennessee community. The leaders of this seminar will provide an overview to respective pastors on what their members learned. This overview will include feedback from the trainers. It is each pastor's decision if and when a person will be released to do *Restoring The Foundations'* Issue-Focused ministry in their local church only.

Questions Call 615.260.2699

**Who Is This Seminar For? For all who minister/pray for others in the church, especially Cell/Small Group Leaders, as well as those called as Restoring The Foundations thorough-format ministers.**

You will be prepared to minister the Restoring the Foundations Integrated Approach to Healing Ministry as one who prays with others in your church. This training is especially applicable if you are a cell/small group leader who ministers to the members of your church or group. You will experience God's healing touch in your life and you will learn how to bring this same healing to another. You will do this in a safe environment, with experienced trainers present, following a well-structured script that allows you to learn the procedure simultaneously with learning how to work with the Holy Spirit. You will leave this training module knowing that you CAN be an instrument "useful to the master's hand" [II Tim 2:21] and that the Holy Spirit WILL come and bring the healing. Experienced Healing House Network trainers will oversee the small group activations.

**Experienced Restoring The Foundations' Healing House Network trainers and ministry teams will oversee this seminar.**

Module I Issued-Focused training is provided twice a year [January and September] at the international training center in North Carolina. The field version of Module I training is provided in July and November 2011 in Murfreesboro, TN. This is an enriching experience filled with teaching from veterans in healing & deliverance. During week one of this Issue-Focused field training, we'll watch and learn from a training DVD produced by Restoring The Foundations International. It is your responsibility to have your **entire** book read **before** attending week one of this training. You will greatly hinder your learning and your ability to minister during week two if this book is not read.

Module II is offered once a year in Hendersonville, NC, from mid-February to mid-March. You do not have to have completed RTF personal ministry before attending Module 2, since you will receive this ministry as part of the training. Module III is offered once a year in Hendersonville, NC, from mid March to May. If there's no way you can attend Modules 1 – III in NC, field training is available; it simply takes longer to complete the process.

You will not be automatically released to do RTF ministry under your church because you attend this training at First Baptist Church - Murfreesboro. When this two-week Issue-Focused Field Training is completed, the training team will make a confidential recommendation to your pastor based on feedback from the trainers, written evaluations and what is received from the Holy Spirit. It is your pastor's decision if you'll be released to do Issue-Focused RTF ministry under the spiritual covering of your church only. Keep in mind that people who come for RTF are wounded, and they are usually wounded by church people in addition to their family. The more healed you are, the better you'll be able to provide ministry. None of us want to be released prior to the *right time*.

## **Module 3 in NC**

### **RTF's Mentoring for HHN Qualification**

#### **Who For? For those called as five-fold RTF ministers.**

If you are called to serve the Body of Christ as a RTF minister (along with your team partner), this module is for you. You may be called as a full-time RTF minister or the RTF ministry may be one facet of your ministry. Or you may be retired but would like to ministry once every month or so. In whatever way RTF ministry fits within your overall vision, this module prepares you to quickly reach the level of a Healing House Network qualified team. As a member of the Healing House Network, you will be positioned to more effectively help spread God's healing throughout the Church.

The training will be accomplished through two parallel, alternating activities. In the first activity, you will have direct, beneficial interaction with HHN trainers (the "mentor") as well as classroom and individual study. In the second activity, you (and your team partner) will minister the RTF Thorough format to five couples (or if a men's/women's team, to 10 men/women). You will minister as an apprenticeship team in the ITC Healing House under the direct supervision of a HHN trainer.

You will go through three different phases in this module. Phase 1 is one half week long, starting on Wednesday evening. Orientation, assignments, and instruction take place during this time. Phase 2 is 10 weeks long, consisting of 5 alternating weeks for the mentoring and classroom work and 5 alternating weeks of the ITC Healing House apprenticeship. Phase 3 is the Qualifying Week, the last week of the twelve week long module. You will be evaluated/qualified as you demonstrate your readiness and ability to function as a HHN team.

#### **Duration: Twelve Weeks**

#### **Module Contents**

- Mentoring and advanced instruction in RTF ministry.
- Supervised apprenticeship training in the ITC Healing House.
- Evaluation/Qualification as a Healing House Network RTF Team.

#### **Prerequisites for each Team**

- Have completed equivalent of Modules 1 and 2.
- Have submitted a completed Application Form.
- Have been recommended by their pastor or oversight person.
- Have been recommended by two people who have been ministered to by the team. (Non-family members only.) (If you have just attended Module 2, this can be the couple/ individuals to whom you ministered in Module 2. Else it should be people in your church to whom you have ministered.)
- Have been recommended by two experienced ministers, at least one of which is a HHN team member. (If you attended Module 2 just prior to Module 3, the HHN team member should be your trainer in Module 2. Else it should be a HHN qualified team that has trained you directly or that is ministering in your church.)
- Be willing to participate in community service that allows reduced lodging expense.
- Are prepared to submit their HHN application form before the Qualifying Week.
