

Freedom is Yours when you have the Right Keys!

Do you see negative patterns in your family that you are repeating? Are your relationships often a source of pain and problems? Do you ever feel like you are on the outside, looking in?

We all struggle with these and other issues, and that is why we need Keys to unlock God's solutions for healing.

Step one on the road to freedom is to recognize our need for healing! Hurts come from what others have done, or are doing to us, as well as from our own thoughts and behaviors.

We all struggle with issues,

Often we try to cover up what has happened, push the pain down, and move on, without considering that life could be so much better.

When we became Christians our hurts and pain did not simply go away. Many negatives of life still existed. Although Jesus died so that we could be free from sin and its consequences, many do not know how to enter into that freedom.

This seminar will introduce you to the Restoring the Foundations integrated approach to ministry, giving you keys that will increase your understanding of God's promises and how to receive them in your life.

...and we all need healing!

The seminar will include teaching, demonstration, and group ministry. Come prepared to enter fully into the group ministry times which often result in a significant "touch" from God.

The Four *RTF* Ministry Areas

Sins of the Fathers & Resulting Curses (SOFCS) God visits "the iniquities of the fathers upon the children unto the third and fourth generations" (Ex 20:3-6). Jesus provided you a way of freedom from this curse (Gal 3:13).

Ungodly Beliefs (UGBs) Our beliefs are formed from life's experiences. Hurtful experiences, usually occurring in our childhood, lead to Ungodly Beliefs, contrary to God's word, nature and character. Jesus made the way for you to be free by renewing your mind (Rom 12:2).

Soul/Spirit Hurts (SSHs) Jesus came to heal the broken-hearted (Luke 4:18). Learn how to let Jesus heal the

wounds of your heart as we "Wait upon the Lord" with "Listening Prayer".

Demonic Oppression (DO) Demons use every opportunity to oppress and influence us. Jesus came that He might destroy the works of the devil in your life (1 Jn 3:8). Learn how to walk in authority and resist the devil.
