

Be Trained to Help Others Receive God's Healing

Do you minister to others? Do you desire to be better equipped to help hurting people? Are you a church leader, cell or small group leader and long to be more effective in helping those in your care? Then this seminar is for you.

This Restoring the Foundations Ministry Training Seminar will increase your understanding of God's promises and how to receive them, both for yourself and for others.

Learn how to minister to the four problem areas of a person's life

You will also learn how to minister to the four problem areas in every person's life – Sins of the Fathers and Resulting Curses, Ungodly Beliefs, Soul/Spirit Hurts, and Demonic Oppression – as they apply to a single issue, problem or topic.

The Four **RTF** Ministry Areas

Sins of the Fathers & Resulting Curses (SOFs) God visits "the iniquities of the fathers upon the children unto the third and fourth generations" (Ex 20:3-6). Jesus provided you a way of freedom from this curse (Gal 3:13).

Ungodly Beliefs (UGBs) Our beliefs are formed from life's experiences. Hurtful experiences, usually occurring in our childhood, lead to Ungodly Beliefs, contrary to God's word, nature and character. Jesus made the way for you to be free by renewing your mind (Rom 12:2).
Soul/Spirit Hurts (SSHs) Jesus came to heal the broken-hearted (Luke 4:18). Learn how to let Jesus heal the

wounds of your heart as we "Wait upon the Lord" with "Listening Prayer".
Demonic Oppression (DO) Demons use every opportunity to oppress and influence us. Jesus came that He might destroy the works of the devil in your life (1 Jn 3:8). Learn how to walk in authority and resist the devil.
