Blue Flag 1oz

\$19.00

BLUE FLAG - The spectacular beauty of this iris is common throughout the U.S. Its presence adds a calming touch to the landscape. The root and underground stem afford us with a material capable of exerting a tremendous influence on all body fluids, digestive juices, blood stream, urinary flow, alimentary canal, glandular secretions and especially the lymphatics. Because of its great energies, it is often combined with other herbs to actually slow its function to prevent momentary discomforts during the cleansing process. In the goal of longevity, the Blue Flag finds its greatest role in the service of clean body fluid.

NOTE: The properties discussed above are for only the Wild Blue Iris and Orris Root [Iris versicolor and Iris florentina]. No other varieties.

SUGGESTED DOSE: One to five drops twice per day. Start with one drop twice per day.
