**Health** Do you know one of the most preferred ways to distract a person? It is to inflict pain, illness or addictions in your physical body. This includes mental illnesses. That's why you'll find information and products about health, the human body and what the Bible has to say about disease and illness on this site. Inclusive is life-changing information about the biblical roots of disease and illness. Be In Health Global owns this information and is gracious enough to allow it to be shared on this site.

**Relationships** My goodness, every day we have the opportunity to improve our relationships. The question is do we have the desire, the mental capacity and the willingness to give it another try. The other question is since what we've tried hasn't worked to improve our relationships, what should we do differently? Might we suggest learning how to identify the roots behind the issue -- that is what you can't see with the natural eye.

**How** We at Healed People, Heal People facilitate the healing process by offering personal ministry.
group ministry, consulting, educational teachings and training. Our training was at Restoring The Foundations International, Be In Health Global and Pure Herbs Ltd.

**Roots** How do we identify the roots of life, health or relationship issues? First, we assess what happened generationally in your life and family; this contributes to your issue. Second, we present what you really believe about yourself, what you really believe about others and what you really believe about God that does not align with the truth of the Bible; this contributes to your issue. And please know that most people rarely know what beliefs they operate out of daily that is contributing to them being trapped in the same life, health and relationship issues. Next, you need to receive healing for who and what has caused pain in your life; this keeps your issue in place.

**Joy** We've had the privilege of seeing the Holy Spirit positively change lives on every continent using simple, biblical healing and deliverance. Be encouraged to browse the site to participate in the forums, listen to healing music or consider supporting this marketplace ministry. Your life, health, and relationships and can change for the better!
