

Praying in the spirit is a gift for every single person who is a part of the body of Christ, which includes you. You wanna see your life change, your work change, your relationships change, your family change, I double-dog dare you to ask the Lord for your heavenly prayer language gift.

Many people do not receive initially because deep within they have unbelief that the Lord will give the already promised and available prayer gift to you.

If you have unbelief, it is good to repent of this and then expect the Holy Spirit to honor His Word in your life. You are a part of the body of Christ you are entitled to your heavenly prayer language -- it's that simple and biblically sound.

How dare you think the heavenly prayer gift is for others and not you -- that thought is a lie or technically an ungodly belief that completely contradicts scripture.

There's a reason the Bible says it's a perfect prayer language -- it's completely the Holy Spirit using your mouth as a tool, how awesome! Using this one spiritual gift daily has literally changed my life. Why did I emphasize the word daily in the sentence above?

How do you get better at your job -- daily repetition also known as the 40-hour work week.

How do/did your children, employees, customers or clients get what you were trying to relay -- you repeated it.

How did I loose 28 pounds and 8 inches in 2008 -- daily repetition.

How do men go from blubber to Mr. Olympia -- daily repetition.

Well the same thing applies in the spiritual. When you get any of your spiritual gifts, use them -- and in this case of your heavenly prayer language -- use it daily and it strengthens and it strengthens you.

Don't you find it interesting the Bible is clearly a book about spiritual warfare, from beginning to end.

I find it lovely the the Lord knew we'd need to employ spiritual warfare tools, which He provided -- but very, very, very few Christians use the supernatural gifts daily throughout the many Christian denominations.

But oh -- it is heart-wrenching sad for me to daily listen to people, watch people on tv, listen to people on the internet radio, listen to people on the regular radio deal with their "spiritual" issues in the natural, common sense ways -- seeing no real change or lasting results.

And the majority of the time, we Christians are trapped in dealing with the symptoms of the issues, while allowing the canker roots to thrive -- year after year.

Need we wonder why we continue to go round the mountain yet again, stressed out yet again for the same issue with the same person for the Nth year.

This single man told me two weeks ago, as sweat was rolling in my eyes while I was trying to finish my 7-mile walk, "You know, you have strange thoughts. You don't think like most people."

I looked up at him straining from the sweat burning in my eyes and asked, "You're a Christian too right?"

He said, "Yes," with his biceps just a glistening from the evening sun.

I asked, "Does our Bible not say that we are a peculiar people?"

He responded with another, "Yes," but a bit slower this time.

Next I asked, having to measure my breathes from the humidity, "Would you agree that a peculiar people [Christians] would likely have peculiar thoughts?"

"Well yeah," he said nodding his head.

I then provided a kind boundary for him by saying, "You're no longer allowed to call my thoughts strange, rather you can say I have extraordinary thoughts."

He concurred.

Any questions, just hit me up regarding your heavenly prayer language.

And yes my beloved, I know people in all denominations of all races across our country and

other countries who have and use their prayer language daily.

Satan you are a simple, unintelligent liar and your deception is being c-r-u-s-h-e-d at the head and your divisiveness among denominations is no longer being tolerated, in the name of Jesus.

Also, remember there is a pdf attached in this blog that you can either print out or save to your computer.

The following links are the simplest and best resources that explain the four uses of tongues in the Bible.
